S.N.26. The pension of G.Joseph has been worked out under the old rules as follows:-

$$\frac{32}{80} \times 15 = \text{Rs.}6$$

Under the new rules which are applicable to him, his pension should be worked as follows:-

$$\frac{32}{70} \times 15 = \text{Rs.}6\text{-}14\text{-}0$$

Joseph should therefore get Rs.6/14 instead of Rs.6-~~0~~

The P.M.C. may be asked to revise the pension accordingly.

S.N.35.

There has been an unusually long interval of 17 months between date of retirement and date of sanction to pension. Delays were also noticed last year of 1 year in one case and of 6 months in another. As delay in sanctioning pensions is apt to inflict extreme hardship upon deserving servants on their retirement it is desirable to draw the attention of

the

the President, Municipal Commission to such delays with a view to their avoidance in future. The importance attached to expeditious disposal of pension applications is emphasised in Article 929 Civil Service Regulations and the instructions in para V under Article 910 and the para under Article 929 in the Madras Supplement to the C.S.R. If the Secretary sees no objection the following sentence may be added as para 3 of draft I.

17

"There has been a long interval of 17 months between date of retirement and date of sanctioning the pension in this case. An interval of 1 year was noticed in the case of Nurse S.K.Abishekanadham last year. As delay in sanctioning pensions is apt to inflict extreme hardship on deserving servants the Resident would be glad if the importance of expediting disposal of pension applications is brought to the notice of the several heads of departments in the Commission and steps are taken to ensure prompt sanctions."

HON'BLE THE RESIDENT
IN MYSORE, BANGALORE.
7 MAR.
No. 2321
To... Sir,

The Secretary to the Hon'ble the Resident
in Mysore,
BANGALORE.

I have the honour to state that Audinarayana, Peon, Rao Sahib A. Thangavelu Mudaliar's Municipal School, Blackpally, died on the 26th January 1939. At the time of his death, he had put in a service of 9 years, 9 months and 22 days. He left his wife and 9 children (6 sons and 3 daughters). The daughters are married and are living with their husbands. Of the 6 sons, the eldest is employed in a printing press and the widow can get no help from him as his earnings are just sufficient to maintain himself and his family (a wife and child). The second son has gone to the War and the widow gets an allowance of Rs.5/- from him. With this small amount, she finds great difficulty in maintaining herself and the rest of her children (4 sons), who are too young to work. The widow has, therefore, applied to the Commission for help. In view of the unfortunate state in which the widow is placed, the Commission sanctioned, as a special case, a gratuity of Rs.67/8/-, equivalent to the amount which the peon would have been granted as gratuity if he had retired from service in the ordinary course vide copy of the Municipal Commission's resolution No.19 dated the 27th February 1941 enclosed. A similar concession was extended to the heirs of Syed Abdul Gaffar, late Sanitary Overseer, Health Department - vide your Memorandum No.R.F. 26-39/G & A., dated the 15th January 1940. I endorse the Municipal Commission"s resolution and request that the Hon'ble

GRANT OF PENSION.

Reference your letter No.6250/40, dated the 5th March 1941.

2. Under Section 21 of the Bangalore Municipal Law, the Hon'ble the Resident is pleased to sanction the payment from the Municipal Funds of a pension of Rs.14/10/- (rupees fourteen and annas ten only) per mensem to Mrs.A. Ponniah, late Head Mistress, Municipal Girls' School, Fraser Town, with effect from the 8th October 1939.

3. There has been a long interval of 17 months between date of retirement and date of sanctioning the pension in this case. An interval of 1 year was noticed in the case of Nurse S.K.Abishekanadham last year. As delay in sanctioning pensions is apt to inflict extreme hardship on deserving servants the Resident would be glad if the importance of expediting disposal of pension applications is brought to the notice of the several heads of departments in the Commission and steps are taken to ensure prompt sanctions.

With reference to your Memorandum No.R.F.100-40/G & A., dated the 20th May 1941, on the above subject, I have the honour to state that the person responsible for the delay in dealing with the pension application was the Clerk in the Office of the Educational Superintendent. I have taken suitable action and the clerk has been transferred to another office as a punishment. He was also responsible for delaying the pension application of Mr. A. Ponniah, referred to in your Memorandum No.R.F.100-40/G & A., dated the 20th March 1941. I may mention, however, for your information that in both the cases, the applicants were drawing anticipatory pensions under the provisions of Article 925 Civil Service Regulations, and as such, there was no real hardship. Necessary instructio have also been issued to all the Departments to guard again such delays in future.

Diary No. 11417
File No.

To

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.

Sir

I have the honour to forward herewith an application for pension from Mohamed Abdul Basith Khaleel, late teacher, Municipal Muhammadan Boys' School, Nilasandra, and to request that the Hon'ble the Resident may be pleased to accord sanction, under the provisions of Section 21, Bangalore Municipal Law, to the grant to him of a pension of Rs.15/- per mensem with effect from the 16th April 1941 for which he is eligible under Article 474 Civil Service Regulations. A copy of the Municipal Commission's resolution No.15 dated the 25th September 1941 in support of the application is enclosed.

The teacher has put in a total service of 26 years, 9 months and 27 days from the 19th June 1914 to the 16th April 1941, but as he was confirmed in the post only from the 1st April 1920, the period that counts for pension is only 21 years and 15 days. There is nothing on record to show why he was not confirmed in the post from the 19th June 1914, though to all intents and purposes he was acting in a permanent vacancy from that date to the 31st March 1920. In the circumstances, the Commission proposes to give him the benefit of the service from the 19th June 1914 to the 31st March 1920 by confirming him in the post from the 19th June 1914 and to grant him the pension of Rs.15/- per mensem for which he will then be eligible under the Rules.

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.

Sir,

I have the honour to state that Mr. C. R. Kanakasabapathy Mudaliar, Headmaster, Municipal Pioneercherri School, died on the 20th November 1941, while he was in service. At the time of his death, he had put in over 25 years service. He left the widow in a helpless state with a daughter studying in the School Final Class and 2 minor sons aged 13 and 10 years respectively. The widow has applied to the Municipal Commission for a compassionate grant - vide copy of her petition enclosed.

The Commission considered the widow's petition at its ordinary meeting held on the 26th February 1942 and sanctioned a gratuity of Rs.600/- equivalent to 12 months pay of the deceased, as a special case, on the motion of Mr. C. N. Shanmugam Pillay seconded by Mr. F. J. Nathmull - vide copy of the Municipal Commission's resolution No.15 dated the 26th February 1942 enclosed. I endorse the Municipal Commission's resolution and request that the Hon'ble the Resident may be pleased to confirm it under the provisions of Section 22 of the Bangalore Municipal Law.

I have the honour to be,
Sir,
Your most obedient servant,

Copy of petition dated nil, from Mrs. Neelambal, widow of C. R. Kanakasabapathy Mudaliar, No.17, Pynee Mudaliar Street, Ulsoor, Bangalore, to the President, Municipal Commission, Civil and Military Station, Bangalore.

I, the wife of late C. R. Kanakasabapathy Mudaliar, Headmaster, Pioneercherry Boys' School, beg to bring the following few lines for your kind consideration and favourable orders.

My husband entered into the Municipal service as a teacher on 1-4-1916 and on 1-11-1916 he was made as Headmaster of the above school. He served for over 25 years as Headmaster and breathed his last on 20-11-1941 leaving one grown up daughter to be married and 2 minor sons to be educated.

He, while performing his duty on 1-11-1941 got suddenly an attack of heart pain and died of the same sickness after ailing for 19 days in Bowring Hospital. He met this tragic death, consequent to the strain in his continuous teaching career, without availing himself of any long leave during his tenure of 25 years service to prolong his life.

His income was the only source for the maintenance of the family and for the education of the children. Now on his death a Life Insurance Policy of Rs.1,000/- made by him is left to be realised. On realisation of the same, I have to meet a debt of Rs.700/- incurred by him and another Rs.200/- incurred by me towards his funeral and ceremonial expenditure, and there will be a balance of Rs.100/- left for the maintenance of the family. I belong to a respectable family and have now been put to shoulder the burden of maintaining the family alone without any other source of income. I could not therefore, find any other alternative except approaching your honour for merciful consideration.

Owing to my ill luck, my husband could not provide the family, the benefit of the Provident Fund and Bonus system which came into force in 1927as he joined the service as a teacher in 1916 and was forced to remain under the old Pension Rules. Had he joined the above benefit, he would have left us a fund to the extent of Rs.1,262-8-0 as worked out approximately here for your kind consideration.

Salary for the period.	Provident Fund.	Interest.	Bonus.	Total.
Rs.20 x 5 yrs.	Rs. 75-0-0	Rs.3-0-0	-	-
" 25 x 5 "	" 92-8-0	" 7-0-0		
" 30 x 5 "	" 112-8-0	" 15-0-0		
" 35 x 5 "	" 131-4-0	" 20-0-0		
" 40 x 5 "	" 150-0-0	" 25-0-0		
	Rs.561-4-0	Rs. 70-0-0	Rs.631-4-0	Rs.1,262-8-0.

Owing to the above mentioned handicap, the burden of procuring a fund to continue the education of his eldest daughter of about 16 years of age studying S.S.L.C. in Goodwill's Girls' High School and two other minor boys of age 12 and 9 studying in IIIrd Form and Vth Class respectively, have fallen on me. I have got two nearest relatives here, who are earning a meagre income unable to help my family consisting of 4 souls.

In virtue of my husband's continuous loyal service in the Municipality for over 25 years, I humbly beg to request your honour to kindly grant me gratuity or a compassionate grant whatever your honour deems fit taking into consideration the above pecuniary circumstances of his family and thus granting the destitute family a needed fund

P.T.O.

required to educate his boys and get his grown up daughter married at an early date.

Further, I also beg to state that I am unable to pay the house rent for the house we are put up at present, as it is too abnormal and to request you will kindly allot me a small quarters free of rent to live in for sometime.

For which act of kindness and charity, I shall ever be grateful and pray for your long life and prosperity.

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.

Sir,

I have the honour to state that Mr. P. Damodaram Naidu, late acting Sanitary Inspector, Health Department, died on the 18th March 1942, while he was in service. At the time of his death, he had put in 25 years service. He has left behind him, his wife, 4 sons and 2 daughters. Two of the sons are said to have been enrolled in the Labour Corps but their whereabouts are not known and no help is forthcoming from them to the widow. The widow and her remaining children have been left in a helpless state and the family is in debt due to the marriage of one of the daughters recently. Even the funeral expenses were contributed by subscriptions by the Sanitary Staff of the Health Department. The widow is now depending on the help she gets from relatives and friends for the maintenance of the family. She has applied to the Municipal Commission for a compassionate allowance - vide copy of her petition enclosed.

The Commission considered the widow's petition at its ordinary meeting held on the 25th June 1942 and sanctioned a compassionate allowance of Rs.420/- equivalent to one year's permanent pay of the deceased, as a special case - vide copy of the Municipal Commission's resolution No.16 dated the 25th June 1942 enclosed. I endorse the Municipal Commission's resolution and request that the Hon'ble the Resident may be pleased to confirm it

Petition dated the 28th April 1942, from Sreemathi Andalammal widow of Mr. P. Damodaram Naidu, late acting Sanitary Inspector, Health Department, Civil & Military Station, Bangalore, to the President, Municipal Commission, Civil and Military Station, Bangalore.

I, the wife of late P. Damodaram Naidu, Sanitary Overseer, Health Department, respectfully beg to submit the following few lines for your sympathetic consideration.

My husband, the late P. Damodaram Naidu, joined Municipal service in 1917 as a Statistical Assistant on a salary of Rs.10/- per mensem. In 1919 he was appointed as Sanitary Overseer (Fifth Grade) on Rs.15/- per mensem. From Fifth Grade he rose to second grade during the course of seventeen years. He reached the maximum pay of Rs.35/- on 1-7-1941. In October 1941 he was appointed as Sanitary Inspector on Rs.50/- per mensem on probation. He took ill while he was officiating in the appointment and died of Tuberculosis in March 1942. He worked in the Health Department for 25 years. He has left behind four sons and two daughters without making any provision for their maintenance. Two sons are still studying in schools and one daughter has to be married.

The benefit of Provident Fund and Bonus system give relief to deceased's family members, but my husband since he joined Municipal Service before the introduction of this system, remained under old Pension Rules, the result being that we are left in distress.

I appeal to you to take into consideration my helpless condition having no means to support my children and request that you will be pleased to recommend for payment of a gratuity or a compassionate grant whichever you consider proper.

For which act of kindness I shall ever be grateful.

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.

Sir,

I have the honour to state that Mr. T. M. Arunachellam Pillay, Supervisor, Engineering Department, died on the 21st February 1942 while on leave and was drawing a salary of Rs.115/- per mensem (he reached this scale on the 18th September 1941) in the grade of Rs.100-5-125, at the time of his death after a service of about 30 years. He has left behind him 2 sons and 4 daughters (one married and 3 unmarried) in a helpless state. Of the three unmarried daughters, two are old enough to be married. The late Mr. Arunachellam Pillay was a Sub-Overseer drawing a low salary for the major portion of his service and it was only in 1939 that he was promoted as Supervisor. The widow has applied to the Municipal Commission for a compassionate grant - vide copy of her petition enclosed.

The Commission considered the widow's petition at its ordinary meeting held on the 30th April 1942 and sanctioned a compassionate gratuity of Rs.1,380/- equivalent to 12 months pay of the deceased, as a special case - vide copy of the Municipal Commission's resolution No.8 dated the 30th April 1942 enclosed.

Subsequent to the passing of the Municipal Commission's resolution, I have had fuller enquiries made by the Executive Engineer about the financial circumstances of the family of the deceased and his report discloses that the only property left by him are two Insurance Policies (one with the Sun Life Assurance Company of Canada and the other with the Oriental Life Office) of the valu of Rs.1,000/- each and a second hand motor car which he was using

P.T.O.

for his executive work as Supervisor. He was a defaulter in payment of the premiums for his policy with the Sun Life Company for a period of about 5 years and it was only a month before his death that he paid a penalty fee and had the policy renewed. The amount due on this policy viz., Rs.642-13-0 has been received. As regards the second policy with the Oriental Life Office, he had taken a loan of Rs.300/- at an interest of Rs.6 % per annum. The claim is still under correspondence but it is understood that a sum of Rs.918/- may be paid by the Company. The car has been sold for Rs.250/-. Against this he had left sundry debts amounting to Rs.350/- which he had to borrow for his treatment. The family had to borrow another Rs.350/- for funeral expenses and subsequent religious ceremonies. With the amount realised on the policy with the Sun Life Company, the widow has discharged the debts. The amount realised from the sale of the car is being used for the maintenance of the family. With the help of the amount expected from the second policy and the compassionate gratuity the Municipal Commission may sanction, the widow hopes to celebrate the marriage of the two daughters who are of marriageable age and to manage the family affairs. There is no earning member in the family. The deceased's eldest son and son-in-law, who are poorly educated are earning a few annas a day by tailoring and can be of little help to the family.

Under the circumstances explained above, I endorse the Municipal Commission's resolution and request that the Hon'ble the Resident may be pleased to confirm it under the provisions of Section 22 of the Bangalore Municipal Law.

Copy of petition dated the 24th March 1942, from Srimathi Mangaikarsi alias Thanabagiammal, widow of Mr. T. M. Arunachellam Pillay late Supervisor, Engineering Department, Civil and Military Station, Bangalore, to the President, Municipal Commission, Civil and Military Station, Bangalore.

I, wife of late Mr. T. M. Arunachellam Pillay, Supervisor, Executive Engineer's Office, Civil and Military Station, Bangalore, beg to submit the following for your kind and sympathetic consideration and favourable orders.

Late Mr. T. M. Arunachellam Pillay has put in a service of about thirty years in the Municipality having joined the service as a Sub-Overseer in 1912. He was drawing a low salary for the major part of his service and was promoted to the post of a supervisor only in 1939. He had a large family to maintain and had to raise loans every now and then to make both ends meet. His savings, if they could be so termed, are only two insurance policies which he had taken each for Rs.1,000/-, one in Oriental Government Security Life Assurance Co., and the other in the Sun Life Insurance Company of which the premiums for a period of six years were not paid in the latter Company. Owing to pecuniary difficulties, he had also raised loans on the policies. So he had left nothing practically except the little amount in the Insurance.

Under these circumstances, his two sons could not be given proper education and so are being trained for tailoring which is already overcrowded. Of his four daughters, one was married and two more have attained marriageable age. To get them married in these days, it will require at least Rs.2,000/-. Late Mr. T. M. Arunachellam Pillay and all the members of the family were all hopeful of his recovery but fate would have it the other way.

I have detailed all these particulars so that your honour may form a correct idea as to the present state of the family and its utterly poor condition.

Under these circumstances, I humbly pray that your honour may be pleased to consider my case sympathetically as a special one and request that we may be paid a compassionate allowance equal to at least a month's salary for every year of his sincere service. I am given to understand that your honour had been kind enough to grant such allowance in many similar cases.

Once more, I pray that you may consider my case sympathetically and grant my request, for which act of kindness and charity, I shall eve be grateful.

Sir

I have the honour to state that B. Francis, Cemetery Registrar, Health Department, died on the 19th January 1942, while on leave and was drawing a salary of Rs.25/- per mensem at the time of his death, after a service of 29 years. It may also be mentioned that he attained his 55th year on the date of his death which would have been the date of his retirement from service on pension had he lived. He has left behind him 4 sons aged 30, 22, 18 and 14 years respectively and a widowed daughter aged 28 years with her girl aged 7 years. Of the 4 sons, the eldest F. George who is employed and draws a salary of Rs.15/- per mensem has separated from the family and renders no help to the widow. The remaining three sons are unemployed. The deceased has left no property and the widow has to maintain 5 members which she is doing with the aid of charity from her neighbours. She has applied to the Municipal Commission for a compassionate gratuity - Vide copy of the petition dated the 1st September 1942 enclosed.
